Anne Morrow Lindbergh: The Woman, The Words, The Life, and The Legacy

FORT MYERS, FL (August 15, 2006) - In honor of the 100th anniversary of the birth of Anne Morrow Lindbergh, the 2006 Lindbergh Symposium will focus on her life as revealed through her words and writings. This one-day conference will include a selection of speakers, recordings, and videos that cover and reflect on the life and legacy of this remarkable woman. Her eldest granddaughter **Kristina Lindbergh** will be the keynote speaker. Other speakers include **Patty Wagstaff**, six-time member of the US Aerobatic Team winner of the gold, silver and bronze medals in Olympic-level international aerobatic competition and the first woman to win the title of US National Aerobatic champion; and **Richard Hallion**, eminent aviation historian. In addition, astronaut, **Julie Payette**, will contribute a video message.

The Symposium will be held on the historic Thomas A. Edison Winter Estates in Fort Myers. Charles A. and Anne Morrow Lindbergh had dinner with Mrs. Edison there on several occasions. Attendees are invited to contemplate Anne Morrow Lindbergh's life in a place she knew and see the rooms and grounds very much as she would have seen them.

The cost is \$50 per person. Space is limited.
